Dollar for Dollar you can't beat a Pontiac A Beautiful Long-Time Investment?

We admit that one of the very important attractions of this new Silver Streak Pontiac is its captivating appearance. Nearly everyone says it's a really beautiful car. But if Pontiac didn't have something in addition to its beauty, it couldn't possibly be in such tremendous demand today. That additional something is Pontiac's famous depend-

ability. Talk to any Pontiac owner and you'll hear a wonderful story of months and years and thousands of enjoyable miles with an absolute minimum of routine service attention.

Add them together-beauty, performance and dependability-you'll realize that Dollar for Dollar You Can't Beat a Pontiac-a beautiful long-time investment.
